

**REMARKS**

Claims 8-15 are now in this application. Claim 1 is rejected. Claim 1 is cancelled herein. Claims 2-7 are previously cancelled. New claims 8-15 are added.

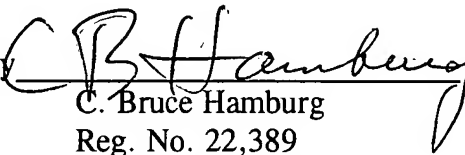

Claims 8-15 are similar to claims of patent number 6,345,530 B1 issued in the parent applicant but further limit the sensor to being disposed in a hole and fixed by filler. As such, the claims are submitted as patentable. The assignee herein files, without prejudice, a terminal disclaimer in compliance with 37 CFR 1.321(c) in order to overcome any possible double patenting rejection. Please charge the corresponding fee of \$110.00 to Deposit Account No. 10-1250.

Applicant respectfully requests a three month extension of time for responding to the Office Action. Please charge the fee of \$950.00 for the extension of time to Deposit Account No. 10-1250.

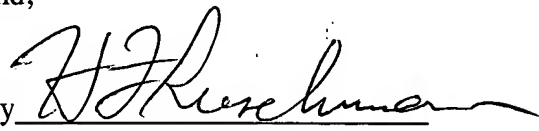

In light of the foregoing, the application is now believed to be in proper form for allowance of all claims and notice to that effect is earnestly solicited. Please charge any deficiency or credit any overpayment to Deposit Account No. 10-1250.

Respectfully submitted,

JORDAN AND HAMBURG LLP
